Minnesota Sales and Use Tax - Exempt Status

Your application for exemption from Minnesota sales and use tax as a nonprofit organization has been approved and you have been assigned a Minnesota tax ID number. Your Minnesota tax ID number is 2143499.

As evidence of exemption, a fully completed Certificate of Exemption, Form ST3, must be given to each seller from whom you purchase, lease, or rent tangible personal property or services for your use in your nonprofit functions. Please see the enclosed Form ST3 for instructions.

This exemption does not apply to purchases of prepared food, soft drinks, candy, alcoholic beverages, lodging, waste collection and disposal services, or to purchases or leases of motor vehicles. Purchases or leases of qualifying motor vehicles are exempt if the vehicles are used primarily to transport goods or people, other than employees, as part of the organization's charitable, religious, or educational functions. Qualifying vehicles are those defined in Minnesota Statutes, section 168.011, as a truck, bus, or passenger automobile that is designed and used for carrying more than nine people.

Your exempt status authorization may not be used by a building contractor to obtain exemption for materials purchased under a lump sum construction project covering both labor and materials for the construction, alteration, or repair of your building or other real property you may own.

Your application for nonprofit exempt status from Minnesota sales and use tax was approved based on current facts and circumstances regarding your organization and laws in effect at the time of approval. Different circumstances, statutory changes, or subsequent court decisions could affect your nonprofit exempt status. If your sources of support, character, or method of operation change, you must let us know so we can consider the effect of the change on your status. Also, please inform us of all changes in your legal name or address.

If your organization makes ongoing taxable retail sales, you are required to collect and remit the sales tax. When you purchase items for resale, you should give your supplier a fully completed Form ST3 claiming the resale exemption.

Please see the enclosed letter regarding the filing requirements for your organization.

If you need additional information, please contact us at the address below or call our sales and use tax information phone line at (651) 296-6181 or 1-800-657-3777.
